A MESSAGE FROM YOUR YEAR ADVISOR

Another term in the bank. We have clocked up three fantastic terms in high school, and only twenty-one to go!

At the GHS Year 12 Graduation Assembly on Thursday night, it was with great excitement that I listened to the voices of students as they reflected on their journey through thirteen years of schooling, particularly the last six of high school. One piece of advice that resonated with me to share with our students is not to focus on the destination of the end of Year 12 or what life looks like after school but to focus on the kind of person you are at the time. I thank you all for your partnership in supporting our students to be resilient, kind, and respectful human beings. That is what makes the journey through school so much more special, and what I know the students will be grateful for in five years' time.

I look forward to another term filled with opportunities, challenges, and everything in between. I hope that the holiday break is restful, energising, and well-timed for each of you and your families. I for one will be taking some time away with my family to enjoy camping, surfing, and paragliding.

If there is anything you would like me to know leading into Term 4, please send me an email.

Sincerely,

Mr Mark Finlayson
