A MESSAGE FROM YOUR YEAR ADVISOR

Good afternoon, Parents and Carers,

There will be an increased level of stress for students as they complete their final formal assessment tasks over the coming weeks. Please encourage students to manage their time appropriately and help them to be organised and prepare themselves to attempt and complete each task to the best of their ability. Encourage them to ask questions of their teachers and access support from their teachers and/or the Learning Support Centre at lunchtime.

If you would like to discuss an assessment task or subject area further with the classroom teacher, you can get in contact with them by calling the front office and requesting a callback.

Please continue to urge students to attend school on time every day as students maintain their engagement until the end of the year. It is crucial that students remain connected to the school, their peers, and their teachers as we carry this momentum into Year 8. We hold high expectations so that all students have the best opportunity to achieve success.

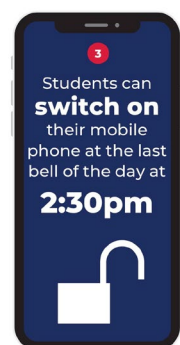

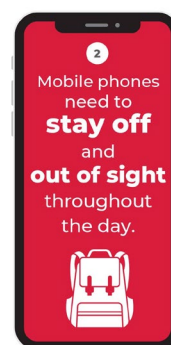

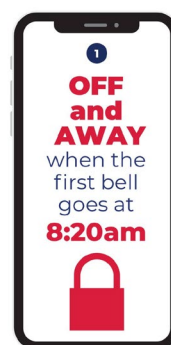

Have a great weekend!

Sincerely,

Mr Mark Finlayson
