CCSPC MESSAGE TO YEAR 12 STUDENTS

The Central Coast Secondary Principals' Council

acknowledges the resilience, perseverance, and adaptability of our Year 12 students in these difficult and everchanging times. Your wellbeing remains our greatest priority and we will continue to support you to HSC attainment in 2021.

Today we have again been provided with new advice regarding Year 12 student access to schools, and departmental guidelines to underpin these. Schools across the Central Coast will now be unpacking these and contextualising them within plans for moving forward.

The Secondary Principals' Council, on the Coast, continue to work together, to share planning and ideas, to ensure our students are provided with the best support possible.

We are aware that the constant uncertainty and regular changes are difficult for our Year 12 students to manage. Each individual school is working to revise their planning as quickly as possible and will release this to you early next week.

Please stay safe and well.

Matthew Boake
