

GHS Learning Update

Dear Gorokan High School Community,

Firstly, thank you. Thank you to our students and families who have adapted to the current situation so well. To our students - I am proud of how you have demonstrated your resilience, creativity and patience as well as your ability to navigate your way through your learning. To our families – thank you for your ongoing support of our school and your students as we have collectively taken on the challenge of this situation. To our staff – you have had teaching flipped inside, outside and upside down and you have done it all while managing concern for your own families and without wavering in your dedication to provide the best learning possibilities you can provide for our GHS students. Collectively, our GHS community has done remarkably well in a very short time frame and whilst we may not have got everything right, I have never been more proud to be a leader of this school community.

THE SITUATION MOVING FORWARD

As you are aware, things are continuing to change and evolve in relation to the management of the spread of COVID-19.

Schools have been informed that **online learning at home will continue until the end of Term 2, approximately at this stage**. The school will remain open for those parents who have no other options, however due to low numbers of students and teachers working from home, we will have minimal supervision on site and students will be working independently, socially distanced and online in the Old Hall.

Teachers will continue to provide quality learning and teaching programs for students through their Google Classroom or Microsoft Teams platform. As of next term, we will have an adjusted daily structure and timing of lessons, however, students will still follow their 5 period day timetable. The day structure has been modified to allow students a little more time in the morning to set up their online learning platform as well as breaks to transition from one period to the other as they may move from a Google classroom to a Microsoft Team class etc. You will see that online classes finish at 1.30pm. This allows for the last hour of the day to be spent organising that day's work, writing up class notes, sending questions to teachers etc. On the other side, it allows our staff time to answer their emails and provide feedback to their students. It is hoped that the new structure takes some of the stress out of the day for everyone.

It will be important for students to make contact with their teachers in the first 15 minutes of each lesson so that teachers can keep record of student engagement learning during this time. The school will also ask that families respond to our 'Absence Text Message' either via text or phone during the first week of Term 2. We will continue to record student leave as 'Flexible' in 4 week blocks. Term 2, begins for

students on Tuesday 28th April and the first 4 week block would conclude on Friday 22nd May. We would then repeat this process for another 4 week period etc. It is necessary for schools to continue to try to keep as accurate a record as possible of student attendance.

ONLINE LEARNING

Below, is listed the learning platforms being used in each faculty. This is the updated list and there may have been a need for a change in some classes. Please check this list prior to the start of Term 2. You will find more information on our school website in relation to setting up these learning platforms.

<https://gorokan-h.schools.nsw.gov.au/learning-at-our-school/learning-from-home.html>

The Department of Education has provided all teachers with access to use ZOOM for students if required. If teachers contact students in regards to utilising ZOOM for learning, have a look at this 'Getting in to Zoom Guide'

<https://schoolsequella.det.nsw.edu.au/file/a06a3c9d-264b-46b3-a5bd-a321372b7cee/1/zoom.zip/GettingintoZoom-Students.pdf>

COMMUNICATION

As a school, we aim to continue high quality communication pathways for our families. With teachers, school learning support officers and office administration staff working from home, we have modified the way in which you are to make contact with us. Our school office is still operational each day, however if you are wishing to speak to a teacher this may not be possible as they may not be on site. Office staff will take a message and then email the appropriate staff member.

Alternatively, please see a list of key staff members who will be able to provide you with further information or put you in contact with the right person. Please send an email to all members listed within each faculty or Year group so that we can share the workload amongst our teams.

Please be aware that staff are still teaching their online classes throughout the day and will attempt to call or email you as soon as they can. This will occur mainly during the afternoon and may be from a 'No Caller ID'.

If you would like to contact the school Principal, our school email address is: gorokan-h.school@det.nsw.edu.au

YEAR 7 CORE / HUMANITIES

The Core faculty has set up a Google Classroom for all Year 7 Humanities students to access material and complete lessons for their teacher. Although individual teachers have their own Google Classroom, **for the purpose of online learning for Year 7 Humanities, all lessons will be uploaded onto the 'Year 7 Humanities Online' site.** One humanities lessons will be uploaded onto the site per day. To access this, simply go to:

<https://classroom.google.com/h> and use the access code: **4jhcwf6**

All students in Year 7 (including 7P and 7C) have WordFlyers accounts. WordFlyers is an online literacy program that builds skills in the areas of reading comprehension, writing, spelling, punctuation and grammar. If you child has lost their login details they are to contact their teacher via email:

Mr McNamara	(7R)	jai.mcnamara5@det.nsw.edu.au
Ms Tia le Clercq	(7S)	tia.leclercq2@det.nsw.edu.au

Ms Samantha McGree (7P) Samantha.mcgree1@det.nsw.edu.au

Mr Daniel Crosland (7R) Daniel.crosland1@det.nsw.edu.au

Most Fridays our Humanities classes run **‘Writing Fridays’** where students write to a prescribed narrative or persuasive prompt. Some online Humanities lessons may involve ‘Writing Fridays’. Instructions on which particular prompt students are writing to will be posted on Google Classroom. To access the writing prompts go to: <http://tiny.cc/755qlz>

In summary:

A Humanities lesson with instructions will be posted on Google Classrooms each day.

<https://classroom.google.com/h> and use the access code: **4jhcwf6**

On days where a student has more than one Humanities lesson, students are to dedicate one hour to either WordFlyers, Writing Fridays or by selecting an activity/activities from either the History, Geography or English/Literacy booklets.

If you have any issues accessing material or need assistance, please contact your child’s teacher using the email address listed above.
