Date: 7th October 2021

SUMMER SKILLS WORKING HOLIDAY PROGRAM

The Summer Skills working holiday program is a collaboration between Department of Education, Training Services NSW and TAFE NSW. The program has been designed to:

- support year 12 school leavers to gain employment over the summer school holidays
- support the hospitality industry to attract staff over the busy holiday period.

The program combines **training** in hospitality skills and a **paid work** position.

Local hospitality businesses have offered **110 work positions** for students to begin work as soon as they complete their studies. There are **longer term employment** opportunities for interested students.

STEP 3

CONNECT WITH YOUR EMPLOYER

Paid Employment

After you complete the expression of interest form, you will receive the details of the paid work positions in your local area and the contact details for the recruitment officer. These are paid jobs and you can choose to work over the summer period, or continue on for longer term options. Speak to your employer about your options.

Job placement position

1. Update your resume
2. Check your email for the contact details of your job placement
3. Phone the employer to arrange a job interview.
4. Present well for the interview, and remember to take your resume.

The job placement is a paid employment contract, and students will be paid according to award wages. [Link to Hospitality Industry \(General\) Award 2020](#)
