Recommendations and Daily Structure for On-Line Learning

Wake up to your alarm and start the day as normal. Eat a healthy breakfast, get yourself dressed in comfy clothes and get your learning space prepared. **Learning starts at 8.20 am with Period 1.**

Period 1 – 8.20 am – 9.20 am

Follow your timetable just as you would at school. For example, if you have English period 1, log on to your on-line learning platform or complete some English work from your booklet. **Period 1 finishes at 9.20 am.**

Have a walk around the house – grab a drink of water and go to the loo.

Period 2 9.25 am – 10.30 am.

Follow your timetable just as you would at school. For example, you now have Science. Log on to your on-line learning platform or complete some Science work from your booklet. Period 3 finishes at 10.30 am.

Have a recess break. 10.30 am – 11.00 am. Make yourself something to eat and drink – chat with your friends on-line, give Mum or Dad a call to let them know how hard you've been working. (Maybe even put a load of washing on ☺).

Period 3 11.00 am – 12.00 pm

Period 4 12.00 pm – 12.50 pm – Follow your timetable.

If you have a PDHPE prac. Lesson or Integrated sport – design an exercise routine that you can complete in your lounge room. Or log on to your on-line learning platform to see what your teacher is suggesting for you to do. The PDHPE faculty have put up heaps of links to some suggestions. Dance vigorously to your favourite song. Do some physical activity.

Do the same for other practical lessons you may have – play an instrument, listen to music, sing, cook dinner, build something, draw something, get creative.

Lunch – 12. 50 pm – 1.30 pm. Eat something healthy. Connect with your friends. Talk to your family. (Have you remembered to hang out the washing?)

Period 5 – 1.30 pm – 2.30 pm – Follow your timetable.

2.30 pm – Bell Time! Well done! A great day of learning. (Bring the washing in!)

Things to remember and our Rules of Engagement for your conduct during on-line learning:

- Behaviour or language that is not appropriate in a school or classroom setting is not appropriate on social media channels created for educational purposes.
- All interactions are specific to the educational topic relevant to that timeframe.
- Personal comments of any nature are not appropriate.
- Comments or material that are off topic or contravene acceptable community standards are not appropriate.
- The online platform will generally be monitored during regular school hours of 8.20am to 2.30pm weekdays.
- Failure to comply with the Rules of Engagement may result in disciplinary action being undertaken by the school.
